

dotFIT Supplement Study Guide

The purpose of this workbook is to enhance your knowledge of dotFIT products and increase your ability to translate the purpose, benefits and unique features of each product to your current and prospective clients. Each product is covered in detail, including related research studies in the online [Practitioner Dietary Supplement Reference Guide \(PDSRG\)](#), 3rd edition. In addition, a [Quick Reference Guide](#) is available with a synopsis of each product that can be used to complete this workbook. Accompanying videos are contained on the product pages at www.dotFIT.com/store.
